

Menu of Criteria for Joint Accreditation with Commendation

To achieve commendation, providers need to demonstrate compliance with Joint Accreditation Criteria (JAC 1–12) and any seven of the 13 commendation criteria. These optional criteria seek to provide additional incentive as well as encouragement to providers to expand their reach and impact in the IPCE/CE environment. For more on the Menu of Criteria for Joint Accreditation with Commendation, visit www.jointaccreditation.org/commendation.
