

Pharmacy Re-certification Requirements

The intent of this section is to allow for the capture of whether an activity was specifically designed to meet either a pharmacy certification board recertification requirement (such as those defined by the Board of Pharmacy Specialties -BPS or the Pharmacy Technician Certification Board - PTCB). These should ONLY be checked if the activity was designed specifically to satisfy a re-certification requirement.

Is this activity designed to meet a specific pharmacy re-certification requirement(s)? * ?

Yes No Not sure

**** Please choose one or more requirements ** ***
